

Why you should attend

- Source direct from pre-qualified, competitive China suppliers
- See one of the largest exhibitions of Chinese suppliers ever to come to India
- Save on sourcing costs while ensuring quality
- Held in convenient Mumbai!

Who will exhibit?

Many of the companies exhibiting at the Fair have exported their products to major markets around the world for years. Other exhibitors at the show will be coming to India for the first time and are anxious to form new partnerships and business relationships with buyers like you.

These exhibitors are the companies that produce the “brands behind the brands”, supplying some of the world’s more well-known international brands. The exhibition will feature competitive electronics suppliers from China, Hong Kong and Taiwan.

The China Sourcing Fairs: A history of product quality and product variety

Since its debut in 2003, the China Sourcing Fair series has grown significantly. Fairs are held every April and October in Hong Kong, and every June in Dubai, and at other times of the year in China. The Fairs are well-known among international buyers as presenting large exhibitions of qualified exporters, in well-organized product categories – making it easier for buyers to find the products they’re looking for.

China Sourcing Fairs are organized for the following product categories:

- Consumer Electronics
- Fashion Accessories
- Gifts & Premiums
- Home Products
- Baby & Children’s Products
- Underwear & Swimwear
- Hardware & Building Materials
- Auto Parts & Accessories
