The venue features world-class facilities, including 70,000 square meters of column free exhibition space, all on one level (so you can find suppliers more easily). AsiaWorld-Expo also boasts a variety of international dining and snack options – Western and Asian foods, as well as coffee shops and even a bar!

Getting to the venue is easy. Simply take the Airport Express train to the AsiaWorld-Expo Station right inside the venue. It's only one minute from the airport and 28 minutes from downtown.
